District 9:

Steve Dudding

Steve Dudding of Maine Prairie is seeking election in District 9. Dudding works as a sales consultant at Drexel Chemical and has been a member of Stearns Electric for eight years. He currently participates in the following Stearns Electric programs: Dual Fuel Heating; Stored Water Heating; Cycled Air Conditioning; and Community Solar. Additionally, he has chaired committees for the Boy Scouts in Morris, the Viking Regional Library in Fergus Falls, and Community Education, Sports and Arts Boards.

If elected, Dudding would like to see the Cooperative maintain and increase reliability of service to each and every member, without compromise of safety. He would also like to see more energy conservation initiatives. Dudding aims to make Stearns Electric the most efficient electric cooperative
