

# Stearns Electric Association Trust

## OPERATION ROUND UP: OPT OUT FORM

Through the Operation Round Up® (ORU) program, Stearns Electric Association gives our member-owners the opportunity to give back to the community. Since the program's inception in 1993, ORU and Stearns Electric members have awarded over \$2.4 million to local non-profit organizations and community service programs.

More than 75 percent of Stearns Electric Association members participate in ORU by allowing the Cooperative to round up their monthly electric bill.

The rounded up funds (between 1¢ and 99¢) are placed in a trust fund that is administered by a trust board appointed by the Cooperative's elected Board of Directors. Operation Round Up® funds are given to local civic organizations and worthy causes through an application and selection process. The trust board uses special guidelines and policies in choosing recipients.

If you would like to opt out of the Operation Round Up® program, please complete this form and return it to our Operation Round Up® Coordinator at [kanderson@stearnselectric.org](mailto:kanderson@stearnselectric.org) or mail to:

**Stearns Electric Association Trust**
