

THE **FACE** OF SAFETY

SAFETY IS A TOP PRIORITY AT STEARNS ELECTRIC

Safety is not only a priority for our employees, but for our members and communities as well. All of our employees, both in the field and in the office, work daily to promote best safety practices and maintain our high safety standards.

Some of our regular safety practices include, but are not limited to:

- Energy Education Presentations
- Personal Protective Equipment Checks
- Department Safety and Safety Committee Meetings
- Circle Check Vehicle Inspections
- Monthly Safety Trainings
- Job Briefings

We are **ALL** the face of safety!
