Rebates are available only for the purchase of new ENERGY STAR[®] rated appliances. A new refrigerator or freezer purchase must include recycling of the older, working refrigerator or freezer. Stearns Electric Association is not responsible for inaccurate information supplied by appliance dealers. Rebates will be issued only for products on the current list of ENERGY STAR[®] rated products as of the purchase date. ENERGY STAR[®] occasionally removes products from qualifying lists and Stearns Electric will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR[®]. To verify ENERGY STAR[®] certification for appliances, visit www.energystar.gov. Rebate program is subject to change or cancellation without notice. Call Stearns Electric at (800) 962-0655 to verify rebate program status and availability of rebates.
