

HOT SAVINGS FOR YOUR HOT WATER

Did you know Marathon electric water heaters are 92% efficient, ultimately reducing the energy needed to heat your water?

Built to save you energy, Marathon water heaters feature:

- Lifetime warranties for as long as you own your home
- Rust- and corrosion-resistant tank
- High-efficiency insulation to maximize performance

PURCHASE YOUR NEW ELECTRIC WATER HEATER FROM STEARNS ELECTRIC!

50-gallon, 85-gallon and 100-gallon units are available. See reverse side for details on rebates available when you purchase from the Cooperative.

REBATES AVAILABLE!

Earn cash back through rebates when you purchase a new Marathon Electric Water heater and enroll it on an EnergyWise® water heating program!*

- \$300 rebate for 85- or 100-gallon water heater enrolled in Stored Water or Peak Shave water heating program
- \$100 rebate for 50 gallon water heater enrolled in Peak Shave water heating program
